

Hey All:

- I'm sorry to lay this on you at such a late date but **I want to switch our practice scheduled for next Wednesday June 23rd to Thursday June 24th.** I was able to get the Cape turf field for that night (we will be sharing with Cape field hockey) and it will be so much easier to conduct an effective practice there.

- On the other field there are no lines, the goals are in bad shape and we won't have access to a bathroom. I understand completely if you can't make it. I know a lot of you have summer work obligations and I'm sure there will be people who have to work that night. If you can't make it that night because of a conflict, at least try to play in the "Lewes Lax" summer league on Tuesday night. That way you will at least play some before we play in the Gatorfest Tournament next Saturday (6/26) at St Paul's School for Girls north of Baltimore.

- The Gatorfest Tournament is a one day affair and we will play 3 full games (two 20 minute halves) with games at 8:30, 10:00 and 11:30. As you can see the games are very close together. **Therefore it is more important then ever for all ESLC players to keep running and working-out so we can still play well without a lot of rest.**

- I'll also try to get the 8:30 game switched to a later time. That early game will be a hardship and necessitate a very early departure from the Eastern Shore.

- There is a waiver form which I'll attach (it is also on the Gatorfest web site).

- Our last two practices will be on July 8th (before the North Atlantic Tournament in Downingtown on the weekend of July 10 & 11) and July 15th before the All Star Express Tournament (the week-end of July 17 & 18).

PJ

*PS: We might also have a scrimmage with Hero's 2012 and Green Turtle 2012 teams, but that is still in the planning stages.*
